OBTAINING A CONTRACTOR'S LICENSE

The City of El Dorado requires all Electrical, Mechanical and Plumbing Contractors to be licensed prior to beginning work. To obtain a license you will need the following:

1. A certified Master in your company.
2. Current Certificate of Insurance with at least \$500,000 in General Liability coverage.
3. The fee for a new Contractor's License is \$200.
Renewal fees are \$50.00 biennially.
An expired Contractor's License can be re-issued, but as a new license with a fee of \$200.00.
4. For the certified workers, the fees are \$20.00 for each Master and \$10.00 for each Journeyman. The same fees apply for the biennially renewals. The following items are also needed from each individual:

The Block/Experior/Prometric certificate
Proof of required continuing education
A current photo I.D.
Current address and phone number
